VALIDATION FORM

To be completed by Supervising Dentist

Agreement made this (day)_____of (month) _____, (year)_____

Between **Thomas Boone, DDS** and **DR** _____
(Director of Orange County Dental Institute)

The validity of this agreement and any terms or provisions, as well as the rights and the duties of the party hereunder, shall be governed by the laws of the State of California. The three patients listed below had full mouth radiographic series, a minimum total of (18) images including (4) bitewings completed at my dental facility under my **direct clinical supervision.**

Student Name: _____ produced these (3) FMX's and can mount correctly, expose and process radiographs (either manually or automatically) traditionally with film or digitally with complete competence. The student was given sufficient time to complete this clinical task. The radiographic operatory must full comply with California Radiation Control Regulations (Title 17 California Code Regulations, commencing with section 30100), and is properly equipped with supplies and equipment. Radiographic machines must be adequately filtered and collimated in accordance with Department of Health services regulations and are equipped with the appropriate position-indicating devices for each technique utilized. All aspects of x-ray quality, examinations, procedures and radiation safety must be in accordance with Section 106975 of the Health and Safety Code.

- **Radiographic series produced with analogue (film) MUST utilize traditional (2) film packets.**
- **All Digital series MUST be loaded on a flash drive.**
